Dear Sir

I expected to return the 2 1/2 Dollars 1795-1803 and 1805 over 4 at the prices you quoted, if we could not make the Exchange, the delay in your return of the 1801-13 and 02 and no word led me to think the Exchange was satisfactory to you, so I disposed of the pieces without price as I told you I wanted them for a friend. I expect to pay you for the 1/2 Dollars and as soon as I hear from you, but I feel as though I was not asking more than what is right to ask for a lower quotation. of course it was unavoidable on your part but I am the one caught. Hoping you have entirely recovered from the accident I am, yours Respectfully
